Elba Tigers Take On Brantley Here Friday

The Elba Tiger football team will be in the spotlight Friday night of this week as they take on Brantley in the first game of the

1971 season. The Elba team has defeated Brantley consistently for a number of years, however, with the Elba team largely untried,

Elba School

Enrollment

Now 1944

Enrollment at the Elba City School system this year totaled 1944 on Monday of this week, according to Superintendent Elmer Taylor.

This was broken down to 858 in high school; 326 in the middle school; 685 in elementary school and 75 in kindergarten.

Health Department Has Measles Shot

The Coffee County Health Department has recently received the new rubella/rubella combination vaccine. Although there has been no shortage of the rubella vaccine, approximately 325,000 children between one and eleven years of age have not been immunized against rubella, or German Measles.

The new rubella/rubella combination vaccine will be a convenience to parents,

because only one trip to the county health department will be required to be immunized against both diseases. For children who are due only one type of vaccine separate doses are also available. Parents are urged to bring their children ages 1 thru 11 years to the Coffee County Health Department on Wednesday, 12:30 p.m. to 4:30 p.m.

A SHOT OF THE CAPACITY CROWD that attended the 4th annual production sale at the W. H. Taylor Polled Herford farm last Saturday.

there is a large crowd of Elba football fans expected to show up Friday night to see just what quality team the Tigers will field this season.

Coach Leon Akins is full of praise for the potential of this team. He feels the Tigers are in for a good season, so good in fact he scheduled a Class 4-A team (Ozark) at the last minute to fill out the ten game schedule for the Tigers.

The starting lineup for Elba this Friday night will see Mark Smart and Larry Suley at guards; Mike Bulard and David Jacobs at tackle; Rickey Rainer, center; Joe Prior as flanker back; Keith Boswell, split end; Leon Bullard, tight end; Mark May, fullback; Bill Scarbrough as tailback; and either senior Jimmy Cook or junior Wayne Flowers at the starting quarterback position.

Akin told this newspaper that both quarterbacks are good and it will largely depend on how good each boy is hitting his passing targets as practice closes this week. The Clipper sports columnist "The River Rat" shyed away from making a lot of predictions this week but did say over the telephone he would give Elba the edge over Brantley, largely out of loyalty. He said it is hard to tell these days about a team's potential because boys seem not to go all out in practice like in the "old days." The "Rat" asked for confirmation of the rumor that Elba would journey to Ozark October 1st. When he was told yes, there

was a shudder over the telephone and the only further comment was a loud groan. The "Rat" promises to be back next week with comments on the game and predictions on the future.

The State supreme Court said Brewer did not have a vacancy to fill since Sawyer had not officially resigned as Tax Collector before midnight January 18,

Max Reeves Is Officially The Tax Collector

The Coffee County Tax Collector Problem (Maxwell Reeves - Mrs. Nell Cook) was resolved by the State Supreme Court in favor of Reeves, Governor George C. Wallace's appointee.

The problem arose during the change of administration from former Governor Albert Brewer to present Governor Wallace. The court agreed that Reeves should have the job.

Mrs. Cook, the wife of former State Representative Drexel Cook who was one of Brewer's campaign managers, had been appointed to the job by Brewer on January 15, 1971. However, she did not receive her commission of office until January 18 - Brewer's final day in office.

On Wallace's first day in office, he named Reeves to fill the unexpired term of Collector James Sawyer who was becoming Probate Judge.

Court records showed that Sawyer did not resign as Tax Collector until January 19 even though he took office as Probate Judge January 10.

The State supreme Court said Brewer did not have a vacancy to fill since Sawyer had not officially resigned as Tax Collector before midnight January 18,

Parents Know the Drug Threat

The Child You Save May Be Your Own

A MESSAGE FROM
JACK BRUNSON, MAYOR
City of Elba, Alabama

Most of us like to think that the drug threat is a problem in some far off big city, but the fact is it is a problem in our City and County today. For this reason I obtained a series of articles for publication in an effort to communicate with as many parents as possible. This series, as the title implies, will be to give all parents in our community some of the latest information on drug abuse.

Today's Subject: The Human Price of Drug Use

There are probably several different ways of looking at and examining the human price of drug abuse, because there are so many hundreds of ways that it can affect personal and family life and individual futures.

It would seem obvious that anything which withdraws a person from society in general would have large potential for adversity. And, perhaps more than anything else which is happening, the drug movement in our country definitely withdraws its followers from normal society.

It's hard to separate the drug problem from the social scene. Young people often feel opportunity is limited to them and so drugs offer a means of withdrawal from a society they find too impersonal. Drugs also offer a withdrawal from the competitive aspects of society. One cannot compete in the drug state. Youngsters often want to avoid getting involved in the "games" that mark our society. They would prefer getting pleasure in ways in which they find it unnecessary to compete against established values.

And so, regardless of the initial reason for experimenting with drugs, the user always winds up with far more real trouble than he ever had when he was seeking his personal escape from the daily realities of life.

The actual monetary cost of using any drugs is a constantly increasing factor, but the effects on human life are much more staggering and heartbreaking. One psychiatrist at a well known university says, "I've picked up the broken pieces of young people in trouble from using drugs. It is anything but pleasant."

Exactly how many youths are getting themselves in trouble by abusing drugs is impossible to count, as there is no practical accurate measure. But, it is a well known fact that courts over the country are becoming inundated with drug violation cases, and this would seem to point up the vast number of people who are using drugs, if only on a trial basis.

A drug conviction in court is "on the record" and the single fact that there was a conviction is a difficult thing to live down. Aside from this, individual reaction to drugs is so varying that just one experiment can lead a person to a long term dependency on the use of certain drugs. And, to argue that some drugs have not proved permanently harmful is ridiculous in view of the case histories which show that the least harmful often lead one to the most horrifying drug use, in the search for bigger and better thrills and reactions.

Remember when the alcoholic was looked on simply as a social outcast, a weakling who was shunned and looked down on and left for the most part alone to kill himself off? That was an easy "out" for society... ignore it... look the other way when the "drunk" touched our lives. Now, of course, alcoholism is looked upon as a disease and treated accordingly. Why? Because there are approximately 6,000,000 alcoholics in this country alone!

It would seem that we waited too long to take effective treatment measures against alcoholism, for now it has a gigantic hold on many, many people. Perhaps in years to come medical science will find a single answer, but it is safe to say it may take many years.

So, let's not "look the other way" on the national drug problem. Let's face it, recognizing that it is definitely a big problem, and face up to the measures we must take to combat it. The first and most important thing in fighting any enemy is KNOWING all you can possibly learn about his nature. Thus, education on the subject of drugs is of prime importance!

Be with me next week for another discussion, won't you?

Paul's Cafe is now closed after 27 years of feeding the public good home cooked meals. In the above photo, Mrs. Thelma Parrish, is shown preparing one of the last meals on the old wood stove. Mr. and Mrs. Parrish (Charlie) stated that the renovation required by the health department would cost too much considering the building was rented and their health ain't what it used to be.

Death Claims

Ray Lolley

A heart attack Sunday night took the life of former state Senator Ray Lolley, age 46. He was stricken at his home and died at the Coffee County General Hospital in Enterprise.

Funeral services were held at 11 a.m. Tuesday at the Enterprise St. Luke's Methodist Church.

The former Enterprise city councilman, whose career in the legislature was blighted by a bribery charge of which he later was acquitted, was elected to the Senate in 1962 and re-elected four years later. He was defeated when he sought a third term last year.

The stocky, stoop-shouldered Enterprise merchant and contractor was indicted by a Montgomery County grand jury in 1969 on a charge of soliciting \$5,000 from officials of Blue Cross - Blue Shield in connection with a bill to reduce the insurance company's premium tax. A trail found him innocent.

At the time of his death, Lolley was a member of the board of trustees of the University of South Alabama. He was a veteran of World War II and a Shriner.

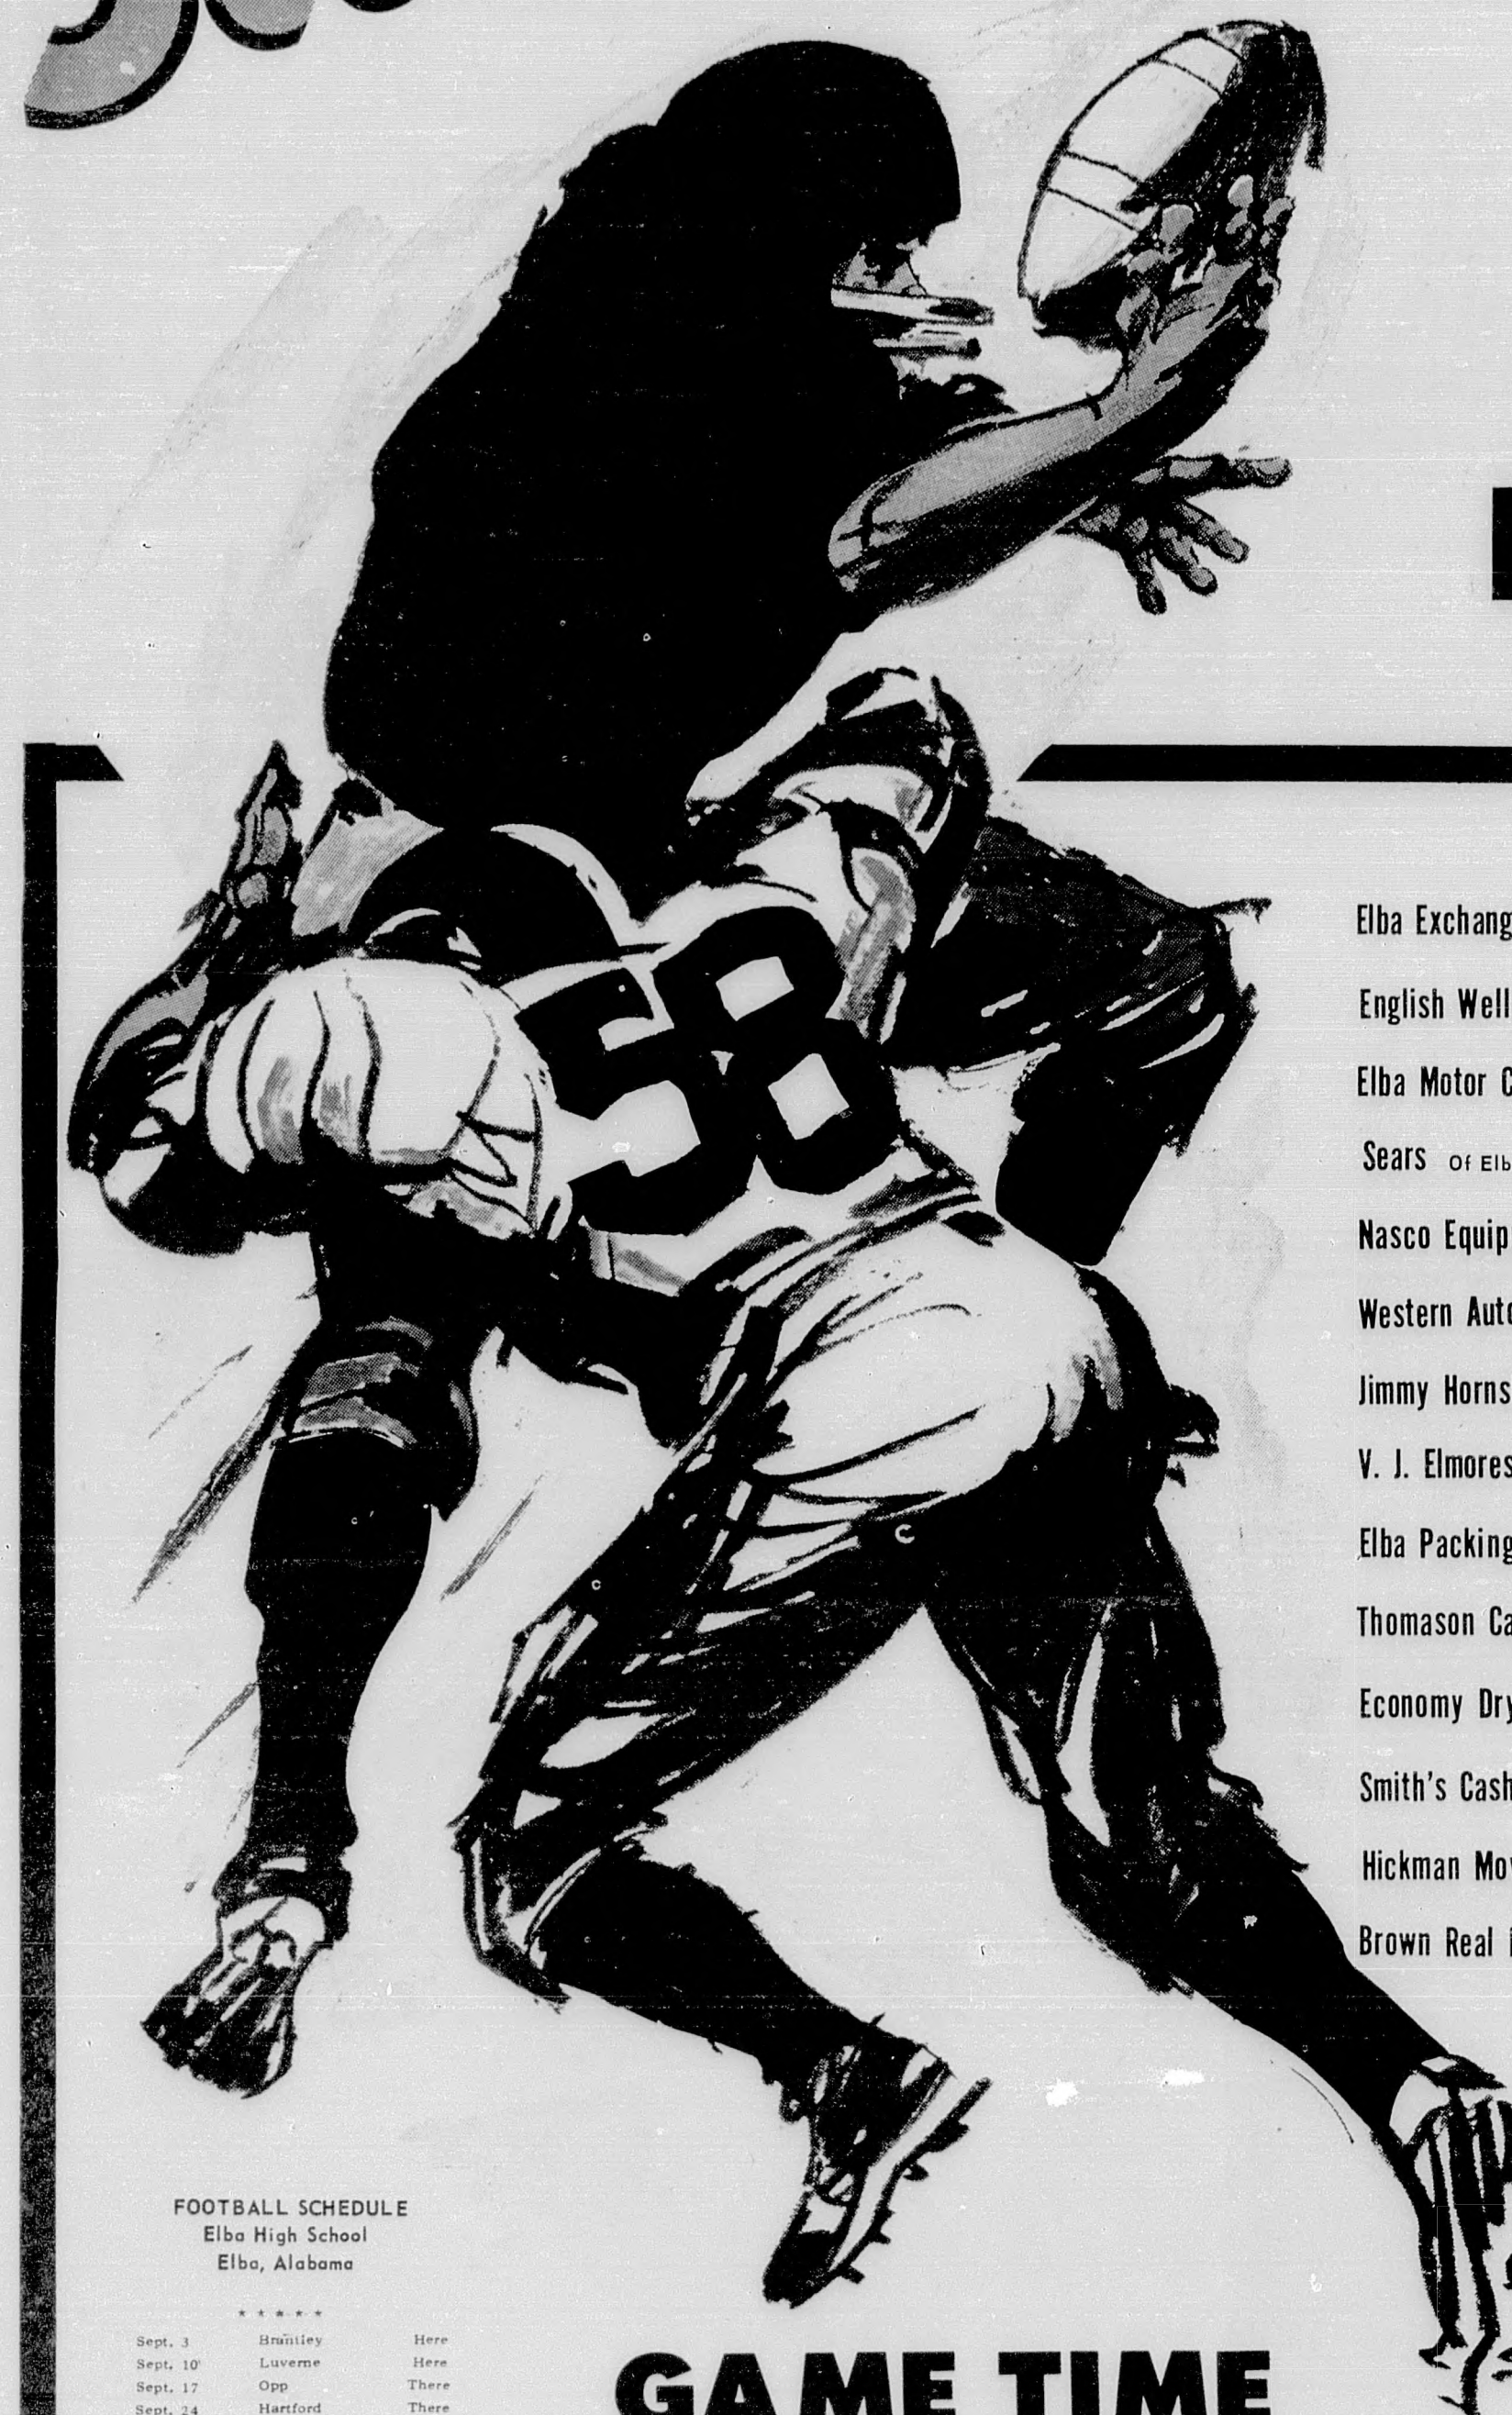

Survivors include his widow, Eugenia, and two daughters.

MacArthur Tech
To Be Closed
Labor Day

MacArthur State Technical Institute will observe Labor Day Holiday on Monday, September 6 by closing the entire school. The fall term will begin on Tuesday, September 7 with new students being admitted to most departments. Registration will continue throughout the week. The Business Education Department will begin new courses in Junior Accounting, Stenography, General Clerical, and Clerk Typist. The Data Processing Department will begin new classes in both Unit Record Keeping and Computer programming. A new Textile Technology Department will open on September 7. This course is primarily for local high school students but other persons may also enroll in the program. School officials also announced that there are vacancies in Barbering, Drafting, Trowel and Trades, and Welding. In addition to these courses the school is taking applications for Practical Nursing, Cosmetology, Diesel and Heavy Equipment Mechanics, Auto Body Repair, Automotive Mechanics, Industrial Electricity, Refrigeration and Air Conditioning, Electronics Technology, Upholstery, and Radio and T.V. Students are admitted to these departments as vacancies occur. Students who need financial assistance to attend school may apply for work under the college work study program. MacArthur Tech is approved for training of veterans.

GRANDMA DISAPPROVES... Donna Garland of Enterprise (center) shows her disapproval of can-can dancers Christina Cooper of Elba (left) and Ruth Satterwhite of Eufaula (right) in a skit performed for sorority rushers. Rush activities began for their sorority, Chi Omega, and for the other sororities on the University of Alabama campus on August 24. Pledging of new members was on Sunday, August 29.

COFFEE COUNTY

By Tom Casaday, County Extension Chairman

LAWNS

A lot of Centipede lawns were practically killed this past winter. Some of the more severely damaged ones were fertilized rather heavily late in the season. We do not recommend this. Where lawns are heavily fertilized after August 1, there is much more danger of cold injury.

Lawn mowers should be raised 1/4 to 1/2 inch now to allow the grass to move leaf surface and store extra nutrients in the roots for next year's growth.

LEAFSPOT DISEASE

A lot of farmers have become convinced this year of the importance of leaf-spot control. Weather con-

ROTATIONS

Clarence Brogren, superintendent of the Headland Substation, talked about rotating peanuts with other crops. Brogren said, "I just can't emphasize strongly enough the importance of growing peanuts in a rotation with corn and other crops. I certainly do not believe in trying to grow peanuts and soybeans on the same land."

Dolan Averett of Route 2, Enterprise, does one of the best jobs of rotating his peanuts of any farmer in Coffee County. He is always a top producer of peanuts, and I feel certain that much of this is due to the fact that he rotates peanuts with other crops as much as possible.

Incidentally, folks who plan their rotations ought to get soil samples and specify that they plan to plant corn in a certain field in 1972 followed by peanuts in 1973.

APPLYING FERTILIZER

A lot of folks ask about

applying fertilizer broadcast in the fall to pasture and crop land. Our position on this is as follows: Fertilizer can be applied in Coffee County either in the fall or in the spring. Phosphorus and potash applied in the fall are adequate for both winter and summer crops. Of course, fertilizer, including Nitrogen, is recommended for fall and winter crops such as small grains. If small grain is planted in the fall to be followed by soybeans or peanuts, it is recommended that fertilizer for the spring planted crops be applied to the small grain crop in the fall. More and more Coffee County farmers are doing this and are finding that it works fine. Gerald Hataway and Joel Moody of Route One, Kinston and others in other communities have done this before with satisfactory results.

NEW FACULTY Members To Be At E.S.J.C.

The names of three new faculty members at Enterprise State Junior College including former ESJC graduate, Frank J. Clark, the junior college's first Ph.D., Dr. Robert C. Lewis, and an instructor who has taught two years in a Mississippi junior college, Jack P. Oden, were released today by B. A. Forester, president.

Clark, a native of Elba who will serve as the guidance counselor in the Student Personnel Department enrolled at ESJC after he retired from the U. S. Navy and received his Associate Degree in 1968. He transferred to Troy State University and completed the requirements for his Bachelor of Science Degree in 1970 and taught American History at Elba High School last year. Clark has been attending the Fort Rucker Branch of Troy State University during the evening hours and will receive his Master's Degree in Guidance next spring.

Dr. Robert C. Lewis, who received his Ph.D. at Memphis State University last June where he worked as a

graduate assistant, will teach Chemistry at the junior college. He earned his Bachelor of Science Degree at Lambuth College and his Master of Science Degree at Memphis State University.

Couple Unite In Matrimony

In an impressive candle-light ceremony on Saturday afternoon, August 28, at three o'clock at the First Baptist Church in Athens, Alabama, Miss Pamela Joan Terry became the bride of Mr. Elton Maddox, Jr.

The bride is the daughter of Mr. and Mrs. Ray Gene Terry, Athens, and the groom's parents are Mr. and Mrs. Elton W. Maddox, Sr., of Enterprise.

The Reverend Tilford L. Jenkins performed the ceremony before a white arch with sprays of greenery. Two baskets of white gladioli, yellow roses and green pom-poms highlighted the two candle-

labras accented with hints of greenery, holding burning tapers. The traditional prayer bench completed the altar decorations.

The candlelighters were Mike Terry and Arthur Butler.

Mrs. Julian Newman provided organ music for the service and accompanied Mr. Herman Griffin as he sang.

Miss Belinda Terry served as Maid of Honor, Bridal attendants were Mrs. Gail Jones and Miss Ann Pope. The maid of honor wore a blue and the other attendants wore yellow and green. The formal empire gown of satin and chiffon featuring bishop chignon sleeves. The bodice was accented with ribbon creating a bow in the back with floor-length streamers. Their headpieces were white floppy brimmed hats with matching ribbon hat bands. The honor attendant carried a bouquet of multi-colored daisies with green, blue and yellow streamers. The other attendants' bouquets were of multi-colored daisies with yellow and green streamers.

The groom's father served as best man. Ushers were Breck Nixon, Ken Baker, Johnny Jones, Mike Terry and Arthur Butler.

The bride's mother selected for her daughter's wedding a white dress and coat ensemble trimmed in navy blue with matching shoes.

Each wore a white orchid.

Immediately following the ceremony, the bride's parents entertained at a wedding reception in the fellowship hall of the church.

Mrs. Mack Campbell greeted the guests and Mrs. Joel Pugh presided at the registry.

Table decorations consisted of a tulip tablecloth with lace trim and a centerpiece of blue and yellow carnations. Silver candelabras held yellow candles, serving and assisting during the reception were Mrs. Price Terry, Mrs. Edgar Morgan, Miss Nelia Fleming, Miss Rachel King and Mrs. Milton Huey.

The bride chose for her going away outfit, a powder blue pants suit with satin ribbon and bodice. Her accessories were navy blue. Following a wedding trip to Panama City, the newlyweds will reside at Auburn where both are students at Auburn University.

Mrs. Elton Maddox, Jr.

Bakers And Ogburns Attend Convention

Mr. and Mrs. C. W. Baker and Mr. and Mrs. C. L. Ogburn of Elba attended a Mutual Savings Life Insurance Company Convention at Daytona Beach, Florida. The four day meeting featured work sessions with field and home office personnel at the Plaza of Daytona Beach.

The convention was opened by Senator H. B. Larkins, Agency Vice President on Thursday, August 26. After business sessions on Friday and

Saturday, it was closed with an address by Mutual Savings Life President, Redus C. Collier of Decatur, Alabama.

A limited number of agents and field management people, with their wives, were invited on the basis of excellence.

IF YOU ARE "THE BOSS" and employ 4 or more people, it will pay you to find out about New York Life's Employee Protection Plans.

Recent Lingerie Shower Honors Miss Eron Holloway

Miss Eron Holloway, bride-elect of Mike Russell, was graciously complimented Friday evening, August 20, with a lingerie shower in the home of Mrs. Joe Free with Mrs. Tony Hudson serving as co-hostesses.

The guests were served refreshments of sandwiches, chips, mints and cakes, after which the honoree opened her gifts.

Enjoying the occasion with Miss Holloway, between the hour of six and seven, were Miss Sharon

WORSHIP

IN THE CHURCH OF YOUR CHOICE

SMALL MISCHIEF

THE CHURCH FOR ALL
ALL FOR THE CHURCH

The Church is the greatest factor in earth for the building of character and good citizenship. It is a source of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

MacArthur Tech To Hold Special Classes

In the past, MacArthur Tech has admitted only those students with a high school diploma or its equivalent to the business department. In keeping with the new trend in education, the school is now reaching out to those persons who are not so fortunate as to have a high school education and who need some basic business training.

The school proposes to admit those persons who will begin on September 7 - English, Spelling, Typing, Business Math, and Record Keeping. Classes will be from 12:00 - 2:45 p.m., Monday through Friday. Interested persons may make application for admission to these courses at the school of office.

Services Held Thursday For Arthur Goodson

Arthur D. Goodson, 71, of Brundidge, died Thursday, August 26, 1971, in Elba General Hospital. The funeral was at 4 p.m., Friday from Salem Baptist Church with Rev. Mack King officiating. Burial was in Bethlehem Cemetery.

Survivors include his widow, Mrs. Della Mae Goodson, Brundidge; two daughters, Mrs. W. A. Bullard, Elba; Mrs. Walter Senn, Brundidge; three sons, Ed Goodson, Elba; Louie Goodson, Phenix City.

September 26 Wedding Scheduled By Couple

The engagement and forthcoming marriage of Novella Bozeman to Tommy Dewberry, son of Mrs. Jim Dewberry and the late Mr. Dewberry of Elba, is announced by her parents Mr. and Mrs. Willie E. Bozeman of Route 2, Elba. The wedding will take place at three o'clock in the afternoon on Sunday, September 26, at the Mt. Olive Baptist Church, Pine Level, Alabama. Formal invitations are not being issued, but all friends and relatives are invited to attend.

KELLEYS ENJOY FLORIDA VACATION

Mr. and Mrs. Everett Kelley and family recently visited the observation decks of the Citrus Tower in the highlands of Central Florida at Clermont. The view included the largest concentration of citrus in the world. Over 700,000,000 worth of citrus acreage—17 million trees and hundreds of lakes are within the 2,000 square mile area seen from the top of the tower. Their tour of Florida also included visits to such places as Wadsworth, Daytona Beach, Cape Kennedy, Miami and the Disney World Review.

ON GARBAGE PROGRAM

Extension Granted County

Coffee County has been granted a one-year extension for implementation of a county wide solid waste disposal program, according to the Commissioners' Clerk's office this week. A two-year grace period for agencies responsible for solid waste control to comply with the 1969 Solid Waste Disposal Act ends September 12 (Sunday). After the deadline, governmental and private agencies not in compliance with the act will be subject to possible legal action. Coffee County Commissioners earlier had authorized Probate Judge James Sawyer to request the extension because the county could not get equipment purchased and pick-up routes operating by the September 12 deadline. The one year extension does not make the county or the cities within the county immune from possible health, nuisance or similar suits, according to the state health department. Extension of the compliance date is granted with full understanding the requesting agency (Coffee County) is preparing and actively pursuing plans for earliest practicable compliance with the full provisions of the act. The Coffee County Commission has drawn plans, selected sites for the land fill, solicited bids for equipment and plans to start construction soon. The bad news comes from Franklin Kreml, chairman of the Presidential Task Force on Highway Safety, who predicts that traffic deaths will increase from 55,300 in 1970 to 70,000 annually by 1975 and 80,000 annually by 1980 if the present fatality rate is not reduced.

Church of Christ Plans Saturday School

The Elba Church of Christ is beginning a Saturday Bible School September 18, from 9:00 until 11:00 a.m. This school is designed for children in school grades 1 - 4 only. There will be singing, Bible stories, flash card drills, refreshments, Bible games and prayers. You may enroll your child free of charge by calling 897-2057 or 897-2567. Register now, because enrollment must be limited to 30 in the 1 and 2 grades and 30 in the 3 and 4 grades. This will make a total of 60 students. Please note that at this time only children in the 1 - 4 grades can be accepted for enrollment.

Traffic Deaths Down But Forecast Is Up

The good news is that traffic deaths decreased nationally by three per cent for the first three months of 1971. The bad news comes from Franklin Kreml, chairman of the Presidential Task Force on Highway Safety, who predicts that traffic deaths will increase from 55,300 in 1970 to 70,000 annually by 1975 and 80,000 annually by 1980 if the present fatality rate is not reduced.

BAR-B-QUE IS

PLANNED BY WISE WILL
A bar-b-que is scheduled Saturday, September 11th at the Wise Mill Church, serving will begin at 11 o'clock under the sponsorship of the GA department.

Special Day At Mt. Olive Baptist

The Mt. Olive Baptist Church in the Pine Level Community has a special day of events planned for Sunday, September 12th. The morning will begin with the regular church services followed by a picnic lunch. The afternoon will be filled with special singing. Pastor Wayne Welber invites everyone to come out and enjoy the fun and fellowship.

THE 1971 - 72 ELBA HIGH VARSITY CHEERLEADERS: (left - right) Patsy Hall, Vicki Grantham, Donna Adkinson, Debbie Moore, Cynthia Knox, Joanie Whitehead and Cecelia Cooper. Front center is Debbie Holmway, Captain.

Dorsey Corporation Selling Stock Shares

The Dorsey Corporation (NYSE), Chattanooga, Tenn., announced that it has filed a registration statement today with the Securities and Exchange Commission covering the proposed sale of 316,107 shares of its common stock being sold by the company and 216,107 shares being sold by certain selling stockholders.

Shooting Matched Planned For Saturday

A shooting match is scheduled Saturday, September 11th at Marvin Bradshaw's Grocery on the Enterprise Highway. Shooting will begin at 10:00 a.m. with all proceeds going to the Elba Football Little League.

Elba Defeats Brantley 14 - 0

The Elba Tigers defeated the Brantley Bulldogs last Friday night by the score of 14-0. The Tigers showed spurs of greatness but sideline quarterback backs shook their heads and said "They have a long way to go." Elba plays host to Luverne on Friday night of this week a critical game for both teams. The game opened with Elba taking the kickoff out to their own 41 yard line. Several plays and one fumble later, Elba had advanced the ball to the Brantley 8 and Mike Bullard tackled the carrier on the Brantley 16. Brantley opened his passing game with a bomb to Tight-end Leon Bullard in the end zone, however the pass was incomplete. Two plays later he connected to Jimmy Bailey and it was good to the Brantley 9. On the first play of the second quarter, Elba fumbled and Brantley recovered on their own 10. Brantley could not move the ball from this area and punted to their own 45. Elba soon had to punt to the Brantley 10 again and after two 5 yard penalties and good tackling by Mike Bullard and Willie Tyson Brantley punted to Leon Bullard who returned it to the Brantley 15 with Bill Scarbrough going off right guard for the first score on the next play. The extra point was good and the score stood at 7-0 Elba. Bill Scarbrough showed some of the tackling ability that prompted post game praise from Coach Akin. The Brantley drive was stopped however by a pass interception by Elba's DEMP HOLLEY, his first of two interceptions. Elba quarterback Jimmy Cook opened his passing game with a bomb to Tight-end Leon Bullard in the end zone, however the pass was incomplete. Two plays later he connected to Jimmy Bailey and it was good to the Brantley 9. On the first play of the second quarter, Elba fumbled and Brantley recovered on their own 10. Brantley could not move the ball from this area and punted to their own 45. Elba soon had to punt to the Brantley 10 again and after two 5 yard penalties and good tackling by Mike Bullard and Willie Tyson Brantley punted to Leon Bullard who returned it to the Brantley 15 with Bill Scarbrough going off right guard for the first score on the next play. The extra point was good and the score stood at 7-0 Elba. Bill Scarbrough showed some of the tackling ability that prompted post game praise from Coach Akin. The Brantley drive was stopped however by a pass interception by Elba's DEMP HOLLEY, his first of two interceptions. Elba quarterback Jimmy Cook opened his passing game with a bomb to Tight-end Leon Bullard in the end zone, however the pass was incomplete. Two plays later he connected to Jimmy Bailey and it was good to the Brantley 9. On the first play of the second quarter, Elba fumbled and Brantley recovered on their own 10. Brantley could not move the ball from this area and punted to their own 45. Elba soon had to punt to the Brantley 10 again and after two 5 yard penalties and good tackling by Mike Bullard and Willie Tyson Brantley punted to Leon Bullard who returned it to the Brantley 15 with Bill Scarbrough going off right guard for the first score on the next play. The extra point was good and the score stood at 7-0 Elba. Bill Scarbrough showed some of the tackling ability that prompted post game praise from Coach Akin. The Brantley drive was stopped however by a pass interception by Elba's DEMP HOLLEY, his first of two interceptions. Elba quarterback Jimmy Cook opened his passing game with a bomb to Tight-end Leon Bullard in the end zone, however the pass was incomplete. Two plays later he connected to Jimmy Bailey and it was good to the Brantley 9. On the first play of the second quarter, Elba fumbled and Brantley recovered on their own 10. Brantley could not move the ball from this area and punted to their own 45.
